HOW TO USE YOUR PLANER BOARD OR IN LINE PLANER BOARD RELEASE

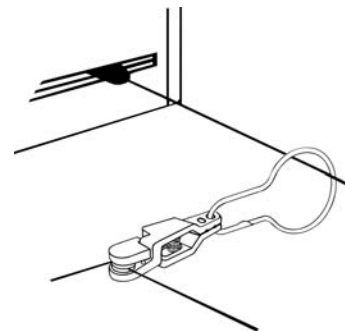

With In Line Planer Boards:

Attach the OR10 to the tow point of the in line planer board (use a split ring if needed for attachment).

With Planer Boards:

Attach the quick clip to the planer board tow line, then place the fishing line in the release and let the release slide down the tow line toward the planer board.

PAD CARE

For long storage, place a piece of cardboard between the pads to keep them from sticking together or being pulled off. Use ORRP16 replacement pads.
