

OR3BWW LIGHT TENSION PLANER BOARD RELEASE WITH QUICK CLIP, WHITE

(Retail package will contain 50 White Planer Board Releases and 50 Quick Clips).

This release has a light tension spring designed for multiple line, surface trolling with planer boards. You can adjust the tension further by placing the line deeper into the pads thus adding more resistance.

HOW TO USE YOUR PLANER BOARD RELEASE

Attach the quick clip to the planer board tow line, then place the fishing line in the release and let the release slide down the tow line toward the planer board. You can spread up to 6 lines over a 150 foot area with a good planer board rig.

PAD CARE

For long storage, place a piece of cardboard between the pads to keep them from sticking together or being pulled off. Use ORRP8 replacement pads.
